At the fishery this week the weather has been mixed with some days there being heavy rain while other days its been cold with sunshine, despite the mixed conditions this hasn't stopped anglers coming out for a days fishing and those who have braved the weather have been rewarded with some cracking fish. Alan Beecham caught a cracking 7lb rainbow on a cats whisker, Tom Dew caught a superb 6lb 5oz rainbow on a buzzer, Alan Bunyan caught a lovely 5lb 3oz rainbow and Dougie Rees caught a lovely 4lb 8oz rainbow on a black nymph, anglers are reporting back how hard the fish are fighting at the moment this is because the water temperature is 7 degrees which is perfect for trout they thrive in these conditions, fishing is excellent at the moment at Papermill fish are being caught all over the lake from the morning until we close so fishing is steady throughout the day and a lot of anglers catching their bag limits. Best flies over the last week have been buzzers, red squimy worms, apps bloodworm, black snake, cats whisker, black fritz and black nymph as for what lines are working well they all are if your going to fish a snake fly use a sinking line to go down deep or if you're going to use a buzzer fish it around 3ft under an indicator. There are spaces available for the weekend so if you are thinking of coming for a days fishing with us at Papermill just phones us on: 07814741252 to book a space or if you require more information.

FLY:

Gary Jones	3 fish	9lb 8oz	caught on a cats whisker.
Neil Morgan	4 fish	12lb 5oz	caught on a nymph.
David Rogers	3 fish	13lb 1oz	caught on a hothead damsel.

Alan Bunyan caught this lovely 5lb 3oz rainbow

Tom Dew caught this superb 6lb 5oz rainbow on a buzzer

Alan Beecham caught this cracking 7lb rainbow on a cats whisker

To help you plan, on the next page I have copied some of the most recent weekly reports

November 5th

This week fishing has been great with a lot of anglers bagging up, fishing has been steady and anglers have been catching some quality 3lb and 4lb rainbows also anglers are reporting back how hard the fish are fighting too and quite a few have been snapped off by some big fish too. On Saturday we held the 3rd annual Bobby Blank Memorial day which was a great day all around, every angler caught fish from the start of the day all the way until the end of the day so fishing was steady and great, the winner of the competition was Lee Ashcroft who caught 4 fish with a bag weight of 12lb 9oz well done Lee! Graham came 2nd with 4 fish and a bag weight of 11lb 2oz, and Mike James came 3rd with 4 fish and a bag weight of 10lb, we look forward to seeing you all again next year for the 4th Bobby Blank Memorial Day. Best flies of the week have been brown snakes, black buzzers, green buzzers, cats whiskers, damsels, black beetles and black and green fritz, fish have been down deep lately so intermediate line has been working great.

FLY:

Harry Walters	3 fish	9lb 7oz	caught on a nymph.
Ryan Morgan	4 fish	12lb 9oz	caught on a black buzzer.
Sam Morris	3 fish	11lb 4oz	caught on a cats whisker.

October

Over the last week fishing has been good with a lot of anglers catching their bag limit, this is because of the colder nights we have been having and there has also been some frost on the ground, temperatures have been going down to around 5 - 8 degrees overnight which is cooling the water temperature down which the trout love, fishing will get better over the next couple of weeks as more colder frosty mornings arrive. Anglers have been reporting back how hard the fish are fighting at the moment this is because the oxygen in the lake is at 110% and some anglers have been snapped off or have lost big fish as well, Warren Evans had a great days fishing with us and he caught his bag limit of 4 fish he caught them on a brown snake. Best flies have been various snake flies, diawl bachs, buzzers, sqirmy worms, black beetle, rubber legged daddys, green fritz and hothead damsels, also anglers have been using mainly floating or intermediate line. The lake will be closed this Saturday the 26th of October for a corporate event sorry for any inconvenience this may cause, we will be open on Sunday as normal 8am - 4pm. Don't forget catch and release has now started back as the colder temperatures have arrived, so get the rod out and enjoy a days fishing at Papermill if you would like more information on fishing phone us on: 07814741252

FLY:

Jack Thomas	3 fish	9lb 8oz	caught on a bloodworm.
Evan Morgan	4 fish	12lb 3oz	caught on a hothead damsel.
Cory Griffiths	3 fish	12lb 10oz	caught on a white snake.
